Welcome to Pocketpills, your dose of better!

Pocketpills is a virtual pharmacy that offers members a unique online pharmacy experience from the comfort of their own home. Our pharmacists are available to connect 7 days a week and medication delivery is always free to any Canadian address.

Frequently Asked Questions

How do I activate my account?

Signing up is easy, visit [Pocketpills.com](https://pocketpills.com), or download the Pocketpills mobile app. You can even sign up over the phone by calling the CARE team at 1-855-950-7225.

Does Pocketpills carry generic or brand name drugs?

Pocketpills carries both generic and brand name drugs, and will dispense drugs based on your plan design.

How do I get my prescription to Pocketpills?

Your doctor can fax prescriptions directly to Pocketpills at 1-855-950-7226.

How long does delivery take?

For new prescriptions, most medications are delivered next day, while some qualify for same day delivery. Recurring prescriptions are delivered a week prior to your supply ending. We suggest contacting our CARE team at 1-855-950-7225 to confirm.

What happens if I have several drugs and one of them cannot be provided?

Pocketpills is a full-service pharmacy carrying all medications, including specialty drugs, compounds, over the counter items and even controlled substances (in some cases). However, if we cannot provide a certain drug, we would have it transferred to your local pharmacy and fulfill all your other medication needs.*

How do I add my spouse/dependent child to my account?
